Course title		ECTS code	
Career practical course		13.3.0974	
Name of unit administrating study			
Faculty of Chemistry			
Studies			
faculty	field of study	type	pierwszego stopnia
Wydział Chemii	Chemia	form	stacjonarne
		specjalty	chemia biomedyczna, chemia kosmetyków, analityka i diagnostyka chemiczna, chemia żywności
		specialization	wszystkie
Teaching staff			
dr hab. Aleksandra Dąbrowska, profesor uczelni			
Forms of classes, the realization and number of hours		ECTS credits	
Forms of classes		6	
Internship			
The realization of activities			
classes outside UG premises			
Number of hours			
Internship: 120 hours			
The academic cycle			
2024/2025 summer semester			
Type of course		Language of instruction	
obligatory		polish	
Teaching methods		Form and method of assessment and basic criteria for evaluation or examination requirements	
Practice		Final evaluation	
		Course credit	
		Assessment methods	
		The basic criteria for evaluation	
		- a positive evaluation from practice supervisor from the institution (opinion of the company tutor); - a positive evaluation for preparation of a practice log book and a report from the university supervisor;	
Method of verifying required learning outcomes			
Required courses and introductory requirements			
A. Formal requirements			
none			
B. Prerequisites			
none
